English

## ABOUT ME

Dedicated Software Engineer with a passion for driving innovation and solving complex challenges within the healthcare industry. Seeking to leverage my technical expertise and strong organizational skills to contribute to the development of cutting-edge healthcare solutions. Committed to continuous learning and growth, I am eager to join a dynamic team and make a meaningful impact on patient care. Additionally, I am passionate about sharing my knowledge and mentoring others, and I am interested in exploring opportunities to teach or contribute to educational initiatives within the field of software engineering.

## WORK EXPERIENCE

- 2023- 2024  
ALX | REMOTE
